

International shooting competition of the Czech Armed  
Forces and NATO reservists

# REZERVA 2022

Registration Form

Military Training Area Jince, Czech Republic, 14 May 2022

## ARMY OF THE CZECH REPUBLIC · ASSOCIATION OF RESERVISTS OF THE CZECH REPUBLIC

The eighth year of international shooting competition of three-member teams will be held in the Military Training Area Jince in the Czech Republic. The organization is created according the rules of the host (MOD – Prague Regional Military HQ), general rules of sport shooting activities and Technical Rules of Association of Reservists of the Czech Republic respecting Vsevojsk-4-2 (official regulation of the Czech Army).

**Boarding** is organized directly in military training area (breakfast and lunch). Dinner with score announcement for foreign competitors is going to be held in Prague restaurant.

**Accommodation** is arranged in the hotel\*\* (double or three-bed rooms) from 13 May to 15 May 2022.

**Transfer** by bus from the hotel to the military training area and back is organized by the Czech Army.

### Competitive disciplines:

1. Shooting from the army pistol CZ model 82 for 20 meters (target no. 4 – unprotected lying figure with circles).

2. Shooting from the army automatic rifle model 58 for 100 meters (3x foldable target no. 6 with single gunshots) and for 200 meters (3x foldable target no. 8 with short series of gunshots).

Private weapons are not allowed.

**Instructions, rules and COVID-19 measures** find out at [www.kvz-praha10.cz](http://www.kvz-praha10.cz).

Click here to **register** or use QR code above.

**Price:** 70 EUR (payment in cash only, credit cards are not accepted). The price includes: two nights of accommodation, local fees, boarding (breakfast and lunch in military training area, dinner in restaurant, breakfast in the hotel), transfer from the hotel to the military training area and back.

**Notice:** The competition may be canceled in the event of adverse circumstances related to the coronavirus pandemic situation.
