2.2.3. Instruction in safety

All shooters have obligation to respect commands of Control Group Commanders; notably the safe handling of weapons and compliance with safety rules. Manipulation with weapon is possible only in accordance with command. Gun barrel must be aimed to determined firing sector. In the case of problem with weapon the competitor raises his hand. Based on this signal commander will take further steps.

All shooters must use hearing protection provided by the organizer and wear eye protection.

Each competitor (shooter) is obliged to provide their own protective (tactical, shooting) gloves for shooting with the CZ 805 BREN rifle.

It is forbidden to consume alcoholic beverages, drugs or medication affecting attention.

The organizer is not liable for damage to personal property or health of participants.

Every participant must respect safety precautions; he holds full responsibility for that. Violation of safety instructions is punishable by disqualification.

3. REGULATIONS OF ASSESSMENT

The assessment will be done in accordance with “General Rules of Sports Shooting Activity of Association of Reservists of the Czech Republic“.

The competition results are assessed in two categories – teams and individuals.

Team ranking is determined by summation of the scores of all team members in both disciplines (i.e. pistol and automatic rifle). In the case of parity of points is decisive better summation in discipline “pistol”.

In addition, assessment of individuals and teams from abroad will be done separately from assessment of all individuals and teams.

Individuals are assessed separately in every discipline. There is decisive higher value of points in discipline “pistol” in the case of parity of points.

Assessment in discipline “assault rifle”

Result = points minus time. Every hit to figure = 15 points. Time is measured in hundredth of a second. Not switching to mode “series of gunshots” is considered as procedural mistake. This situation is punished by 10 second for each bang.

For performances achieved in the competition will be awarded performance category:

Category	Pistol	Assault rifle
Expert	at least 98 points	hit of 6 figures in 20 seconds
Sharpshooter	at least 95 points	hit of 6 figures in 25 seconds

Marksman	at least 93 points	hit of 6 figures in 30 seconds
----------	--------------------	--------------------------------

3.1. Individuals – ranking in disciplines:

- **Pistol** – from the first to the third position – cups from Association of Reservists of the Czech Republic Chairman, medals and certificates,
- **Assault rifle** – from the first to the third position – cups from Association of Reservists of the Czech Republic Chairman, medals and certificates.
